

# Highland Christian Academy

Committed to academic excellence, determined to meet your needs!

**Thank you for your interest** in Highland Christian Academy. It is always a pleasure to share our vision with those who are interested in meeting a child's needs—spiritually, academically, and physically. Our mission is to partner with parents in providing a nurturing, Christ-centered education, developing the whole child in the areas of character, values, academic excellence, and physical soundness.

Highland Christian Academy, a ministry of Highland Fellowship Church, is located on the west side of Elgin (2.5 miles south of I-90 and ½ mile east of Randall Road). Our current program consists of half-day and full day programs for Preschool 3 and 4-year olds and Kindergarten, and a full-day academic program for elementary and middle school students. Our classes primarily use the *A Beka* curriculum as the foundation of our academic focus. Other carefully selected curricula provide supplemental enrichment. We offer weekly Spanish classes for Kindergarten through 8<sup>th</sup> grade, art, music and PE, as well Band and Team Sports options.

Enclosed you will find an information packet that contains our Philosophy, Statement of Faith, registration guidelines, and our rate sheet with an Extended Care Solution option. There is also an enrollment form provided for one student. Additional forms can be requested for families with more than one child. You will also notice on our rate sheet that we offer substantial discounts for families with more than one child. We will be happy to visit with you and answer any questions you may have concerning our preschool, elementary and middle school programs.

You will notice on the left side of this packet that there is a checklist to help you through the enrollment process. We understand that this can be a complex process and are prepared to help you with any questions you may have. You will also find information on our partnership with FACTS. We have partnered with them to help us assess need-based scholarships for students who enroll at HCA.

God has a special plan for each child. We will be praying for you as you make decisions concerning your child's future. Thank you for considering Highland Christian Academy!

Sincerely with our commitment to your family,
